SPECIAL NOTES ABOUT THE MEET

DISABILITY SWIMMERS

FLA is excited about the opportunity to include USA Swimming members with disabilities in our meet and highly encourage their participation.

Swimmer's disability must satisfy the definition of a disability outlined in USA Swimming Rules and Regulations: *A permanent physical or mental impairment that substantially limits one or more major life activities.*

Swimmers with disabilities may compete, earn awards and score points for their team in the same manner as able bodied swimmers. Such swimmers need not have achieved the included qualifying times for this meet.

DISABILITY ENTRIES

- Entries for swimmers with disabilities should be submitted with the team's meet entry file. Please indicate preference for seeding in the body text of the corresponding e-mail.
- "Classification" of a swimmer with a disability is irrelevant.
- The swimmer, or his/her coach shall inform the Meet Referee of any disability-related accommodations he/she may need to compete in advance of the meet.
- The Meet Referee shall determine any modifications that may be required; and will share his information to the starter and stroke and turn judges.
- Visually impaired swimmers who require tappers must bring their own devices and individuals to use them.
- The Meet Referee may reassign the lane of a deaf swimmer if a required view of the strobe light is obscured, and the light cannot be repositioned.
- It is the responsibility of the USA Swimming Disability Swimming Chair to provide the Meet Referee with current American Records for swimmers with disabilities. It is the swimmer's responsibility to complete and submit an application for an American Record should one be set.

SPECIAL INFORMATION ON THE MEET FORMAT

1. All of Thursday's events including relays are positive check-in by 3:15pm. Swimmers that do not make the event cut-off may get the opportunity to swim based on the positive check-ins.
2. **All relays are timed finals and will swim in the evening sessions.** After the fastest heat of 800 FR Relay for each age group, remaining teams may be combined with other age groups to swim but will be scored within their own age group.
3. The women's 800 FR and the men's 1500 FR are timed final events that are swum fastest to slowest. All ages are swum together, age groups scored separately. **Women's 800 FR – Only Top 120 will swim, Men's 1500 FR – Only Top 60 will swim.**
4. The 400 IM is a timed final event to be swum fastest to slowest by age group. **Only Top 40 will swim.**
5. The 400 Freestyle events will be timed finals swum by age group. **Only Top 40 will swim.** Fastest 10 seeded swimmers will swim in the finals session. Next 30 seeded swimmers will swim in prelims, slowest to fastest.
6. Positive Check in for the 400, 800 and 1500 Freestyle and for the 400 IM is required 60 minutes prior to the event. These events will be swum in 10 lanes.
7. All other events will swim prelims and finals. Prelims may swim in 9 lanes. There will only be one Championship Final to be swum in 10 lanes.
8. Total number of individual entries is 9 (plus relays). Swimmers who feel that they may not make the event cut-off may over enter additional events but may only compete in a maximum of 9 events. There will be no refunds.
9. Teams entering 20 or more swimmers are asked to offer personnel to assist with timing at the event. We will be competing in as many as 20 lanes and would appreciate the help. Anyone assisting with timing will be afforded hospitality, volunteer t-shirt and other complimentary items.
